

Group 31 Batteries For: **FIRE TRUCKS & EMERGENCY VEHICLES**

Emergency Power You Can Trust

Terra Supreme Group 31 batteries have become a popular choice in fire trucks, ambulances, rescue trucks, command vehicles, and hybrid or electric emergency vehicles because they provide a combination of **high starting power, large reserve capacity, and reliable deep-cycle performance** making them well-suited for demanding emergency service applications.

- ✓ 5000 cycles @ 50% DoD
- ✓ -40°C to 60°C operating range
- ✓ 5-Year New-for-Old warranty
- ✓ Built-in Bluetooth® Terra eBM™

Performance Specifications

Reserve Capacity:	240 minutes
Amp Hours:	105Ah
kWh Capacity:	105Ah x 12V = 1260Wh = 1.26kWh

Product specifications are subject to change without notice.

Cranking Power

CCA:	1200
MCA:	1800
PHCA:	3000

10% Less Lead

Our bi-polar design uses 10% less lead than conventional batteries, reducing environmental impact and material costs.

98% Recyclable

All Terra batteries are fully recyclable through established lead-acid battery recycling networks.

Clean Manufacturing

Our Manufacturing 4.0 facility incorporates sustainable processes and minimal waste generation.

Environmental Regulations

- ✓ EPA compliance for manufacturing
- ✓ RCRA hazardous waste management
- ✓ Clean Air Act adherence
- ✓ State environmental permits

Battery Standards

- ✓ BCI (Battery Council International)
- ✓ UL safety certifications
- ✓ DOT shipping regulations
- ✓ International standards (IEC)

Ask For Terra Supreme Batteries!

Terra Supreme Battery serves commercial, industrial, and government customers with volume pricing and custom solutions. Our procurement process is designed for efficiency and transparency. Visit our website or call us directly at **1-260-636-6618** for sales or distribution information.
